Hello Linda,

As you requested, attached are the four groundwater documents for Comanche Station which are printable. Also, we are in the process of making all of our documents on the CCR website printable and hope to have that completed early in the new year. I'll send the impoundment location restrictions document separately as this email is at the maximum file size. Feel free to contact me if you have any questions on any of these documents.

Jennifer McCarter, R.E.M.

I am interested in the 4 documents on the website regarding groundwater monitoring. I would also like to print a copy of the CCR Impoundment Location Restrictions Criteria Certification document.

Thank you.
